

Surgery Timeline

Phase 1: Free record review and pricing plan:

** Dr. Cook's surgical treatment fees include the pre-op phone and in-office consultations, surgery, and all post-op phone and in-office consultations relating to surgery up until 1 year following your surgery date.*

Phase 2: Pre-op planning and consultation:

** During the pre-op phone consult our NP will go over your medical history, lab test results, medications, perform a full health assessment (FHA), and answer any questions you may have about pre-op preparation. The pre-op phone consultation will take place during one or two scheduled phone calls.*

Phase 3: Surgery and post-op consultation and follow-up:
